

Joinluck Electronic Compact Fluorescent Lamp

THE JOINLUCK

Compact Fluorescent Family

JOINLUCK

INTRODUCTION

Established in 1988, JOINLUCK has become a leading manufacturer of energy efficient lighting products.

JOINLUCK has two product lines: compact fluorescent lamps and LED-based lighting products. At present, we are capable of manufacturing 60 million pieces of compact fluorescent lamps and 6 million pieces of LED-based lighting products annually.

The JOINLUCK family of lighting products have obtained UL、CUL、FCC、CE、RoHS and Energy Star certifications, and are exported to USA, Canada, Australia, Europe, and South America.

JOINLUCK maintains stringent quality control throughout its manufacturing process and possesses advanced testing and measuring instruments, which ensures the stability and consistency of its product quality.

Our competitive advantages are highlighted below:

- ☆ Quality system based on ISO 9001 standard.
- ☆ All the necessary product certifications: UL、CUL、FCC、CE、RoHS and Energy Star.
- ☆ Use of materials of leading brands to ensure long life.
- ☆ More control over quality、cost and delivery resulting from our vertically integrated production.
- ☆ A major OEM supplier to the world's leading lighting product manufacturers and distributors.
- ☆ A strong R&D team and commitment to new product development and technology advancement, which keeps us ahead of the competition in the industry.
- ☆ A talented、experienced and dedicated workforce.

JOINLUCK CFL - T2 Spiral Series

- Tube Diameter: 7.8mm.
- Ultra compact design enables them to fit almost anywhere incandescent bulbs fit.
- Minimal light trapping creating more light output than other types of CFL's.
- Light distribution very close to incandescent.
- Instant start, No flickering.

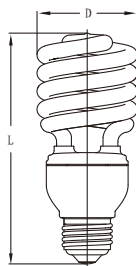

1. Regular T2 Spiral

JOINLUCK CFL - T2 Spiral Series

2. T2 Spiral + LED Night Light (2 in 1)

- CFL Light+LED Night Light 2 in 1;
- When the lamp is first switched on,CFL light is on.Switch the lamp off and then switch it back on within three seconds,LED light is on;
- To go back to CFL light from LED light,switch the lamp off and then switch it back on after three seconds;
- Ideal for use in children's rooms,hallways,corridors and bathrooms;
- When the LED light is on, the product only consumes 0.5W of electricity
